EDUCATION

Bachelor of Arts in Computer Science, Minor in Business Administration
Dordt University, Sioux Center, IA

Graduated: Dec 2024

EXPERIENCE

Information Systems Data Analyst - Link Manufacturing, Sioux Center, Iowa Jan 2025 - Present

- Integrated TOPdesk databases with Power BI via API to enable secure data analytics and visualization.
- Analyzed cybersecurity scan from Cybersafe to detect vulnerabilities and support remediations.
- Built dashboard to monitor data center temperature, improving visibility into environmental conditions.
- Automated data extraction and cleansing scripts to improve reporting reliability and accuracy

IT Specialist / Data Analyst Intern - Link Manufacturing, Sioux Center, Iowa May 2024 - Dec 2024

- Documented system configurations, and troubleshooting steps to support team knowledge sharing.
- Configured and secured network ports using PuTTY to support performance & infrastructure stability.
- Created and tested system backup images to support recovery, continuity, and system reliability.
- Upgraded systems to Windows 11 to improve security posture and reduce unsupported systems.

IT Specialist Intern - Den Hartog Industries, Hospers, Iowa May 2023 - May 2024

- Configured Zix email security controls to prevent threats and support compliance requirements.
- Conducted network troubleshooting to identify and resolve network issues that could impact security.
- Deployed and imaged PCs using KACE and Windows registry, ensuring secure and stable setups.
- Managed and monitored devices using KACE and VNC to support system operations and security.

SKILLS

IT Systems: Windows/Linux admin, backups, Access Control, and performance optimization
Cybersecurity & Networking: Pen testing, vulnerability assessment, system hardening, & network setup
Security Tools: TryHackMe Labs, Cybersafe Scan Analysis, Wireshark, Nmap, Metasploit
Data & BI Tools: Power BI, SQL/SSMS, MySQL, Excel (VBA), Jasper/Crystal Reports
Programming: Java, Python, JavaScript, HTML/CSS, PHP, DAX
Soft Skills: Result-driven, effective communication, leadership, design thinking

CERTIFICATIONS

CompTIA Security+ Microsoft Azure AI Fundamentals (AI-900) TryHackMe Cyber Security 101
TryHackMe Pre Security TryHackMe CompTIA Pentest+

PROJECTS

Developed a Python port scanner using sockets to identify open and closed ports in a controlled lab [github](#)
Deployed pfSense firewall lab with Suricata IDS/IPS to detect and block network attacks in VMware [github](#)
FantasyOlympian Web Application, Developed platform with account creation, login, and ranking [github](#)

ACTIVITIES/VOLUNTEER

Technical Volunteer, MMR Church, Assisted with audio/visual and device support	2023 - Present
Volunteer, Young Life Association, fundraising events to support youth development	2025 - Present
Cross Country/Track and Field, Dordt University	2021 - 2025
Chorale choir, Dordt University	2021 - 2025
Forensics (Speech/Debate), Dordt University	2021 - 2025
Students Without Borders Club, Dordt University	2021 - 2025
